I understand that, if accepted as a volunteer for SAIL or Sneak Peek, the teachers and students will depend on me. I might be asked to work with a small group, work with one child, prepare material, clean up after activities, help with attendance or any other tasks the teacher would like me to do. I am willing to commit myself and my time during the sessions for which I am volunteering. I will listen to the teacher in charge and conduct myself in a responsible and mature manner. I understand that I will be asked to attend an orientation meeting.
