

BOUNDARY IMPLEMENTATION PROPOSAL

Schools are enrolling students for the 2007-08 school year. Boundary changes have gone into effect. All students and their 07-08 kindergarten siblings who live in the school boundary area and attended that school in 2006-07 are automatically enrolled.

Who is enrolled next? And next? Please rank the following in priority order:

	# Votes	Avg Score
Grandfather – choose A, B, or C below and rank it in priority order with all of the other factors listed. No transportation would be provided by the district for students who choose to be grandfathered.		
A. Grandfather all students enrolled at the school for 2007-08	11	1.7
B. Grandfather all students enrolled at the school for 2007-08 AND their families (pre-school age as well as unborn siblings)	9	1.8
C. Grandfather current fourth and fifth grade students with siblings who are enrolled at the school for 2007-08	14	2.7
	<hr/>	
	34	2.1
Enroll students newly assigned to the school due to boundary changes	33	2.3
Call back students who are capped out.	32	2.9
Allow voluntary transfers who have been in the building three years or more to remain	32	3.9
Enroll new students – students who have moved to the district and did not attend one of our schools in 2006-07	32	4.6
Allow open enrollment students who have been in the building three years or more to remain	32	5.7
Extend voluntary transfers who have been in the building less than three years -- on a case-by-case basis, using class size equity as a determining factor	33	6.5
Extend open enrollments who have been in the building less than three years -- on a case-by-case basis, using class size equity as a determining factor	28	7.8
Accept new voluntary transfers -- on a case-by-case basis, using class size equity as a determining factor	32	8.3
Accept new open enrollment students -- on a case-by-case basis, using class size equity as a determining factor	31	10.0
