CPI Overview

**School Improvement Plan** – Dr. Shane Christensen, Principal

**3 Goals:**

1. *Would like 90% of grades student end up earning are progressing towards proficient or proficient – 90% grades should be A's and B's. Several strategies (ie IXL, small group learning) put in to help students to reach this goal. Focus on reading math and social/emotional learning. Enrichment opportunities during Encore. Focus on literacy in writing and literacy in terms of reading.*
2. *Attendance – 91% of students will attend 90% of the time. We have been in the 80s. This year, students have been ready to learn when they come in. "Return to School" feeling.*
3. *95% of students will have 2 or fewer referrals to office. Done through PBIS. Reward students who are doing what they are supposed to be doing. Booster today: On time means early.*
  - a. *Tier 1 Boosters for whole group*
  - b. *Tier 2 for smaller groups – check in/check out with a main teacher throughout the day, mentoring meeting with students*
  - c. *Tier 3 Individualized plan for students*

*ISASP scores have moved up for the whole school. Exceptional growth with at risk students.*

*Minor system – focus on 5 areas to get better at, then a sage group (smaller groups) to come up with ways to avoid getting into the office.*

*Cameras being installed outside and inside of building as they come in.*
