ACTIVITIES/ATHLETICS CONDUCT CODE

GUIDELINES AND BOARD POLICIES

Activities and Athletics

Athletic Code of Iowa

Non-school Team Participation Iowa Boys High School Athletic Association ruling on Participation and Eligibility (page 26 Section 36.15(7)) states:

The local school board shall by policy determine whether or not participation in non-school athletic events during the same season is permitted and provide penalties for students who may be in violation of the board's policy. The rule is intended to implement Iowa Code sections 256.46, 280.13 and 282.18.

[Board Policy 504.07](#) (Non-School Team Participation) states a student participating in a sport sponsored by one of the governing organizations for interscholastic athletics may participate in an event outside of the school, during the given season of the sport, as an individual or a member of a non-school team with written permission from the Superintendent or designee. You may reach the coaches at 515-633-4259 if you have any questions. Physical examination forms, eligibility cards and emergency cards are available in the Athletic and Activities Office at Valley and [online](#). The calendar of athletic events is also available at www.cimlcentral.org. All completed forms must be turned into the Athletic and Activities Office before an athlete is allowed to compete or practice.

If you are unable to attend when practice begins please contact your coach and arrangements can be made for you to still participate in this activity.

Athletic Program Philosophy

A comprehensive and balanced athletic program is an essential complement to the basic program of instruction. The athletic program should provide opportunities for youth to further develop interests and talents. Participation in athletics, while a privilege and not a right, should provide many students with a lifetime basis for personal values for work and leisure activities.

Every effort will be made to support the athletic program with the best facilities, equipment, and most qualified staff available. Insofar as possible, knowledge and skills gained in classes should be applied and developed further through participation in the athletic program. Coaches will also teach the specific skills necessary for improvement in athletics and provide guidance in the development of self-realization, good sportsmanship, cooperation, leadership, ethical behavior, artistic sensitivity, and an appreciation for the importance of practice.

Student Activity Conduct Code Statement of Philosophy

West Des Moines Community Schools strives to develop each student's potential and to foster positive interpersonal relationships. Essential to the achievement of these goals is reasonable and necessary order, which will result only through good discipline. To that end, the district has codes of conduct governing the actions of all of its students. These codes outline the expectations for acceptable conduct in the areas of academics, attendance and discipline.

The Board of Education of the West Des Moines Community School District affirms its support of the student responsibility and discipline policies, affirms its intent to support staff who enforce these policies and affirms its intent to hold staff accountable for implementing these policies.

A Student Activity Conduct Code outlines further expectations for those who participate in activities. Participation in an activity program is a privilege granted to students displaying the interest and talent the activity requires. These students serve as representatives of our district to their peers, to the public within our district, and to other school districts. Because of the responsibility inherent in representing the West Des Moines Community School District, a higher level of conduct is demanded of those students than is expected of the general student population.

It should be clearly understood that students who participate in activities may not use alcohol, tobacco, or controlled substances at any time in any location to remain eligible. This policy applies in all countries and locations throughout the world (including international waters), regardless of whether the possession or use of alcohol by a student is legal or not prohibited by law in the location where it is possessed or used.

Student Activity Conduct Code Statement of Purpose

This Student Activity Conduct Code supplements policies and rules of the West Des Moines Community School District including, without limitation, policies and rules relating to attendance, orderly conduct, vandalism, disrespect, commission of a misdemeanor or felony (except minor traffic violations), tobacco, alcoholic beverages and controlled substances and theft.

Any student moving into the West Des Moines Community School District who has been declared ineligible under another district's Student Activity Conduct Code or equivalent policy will not be eligible for the interscholastic competition until the full period of ineligibility, as identified by the other district, has been completed.

This conduct code shall apply to all students involved in an extra-curricular or co-curricular activity anytime during the year (in-season and off-season and during the academic year as well as summer months; 24 hours a day, 7 days a week and 12 months a year) and on or off school property. *Please note: this also applies to conduct violations unrelated to school events.* It is to be understood that this code specifies minimal penalties which may be increased in severity by the Building Principal or by the Athletic Administrator.

Specific penalties are outlined for the categories listed below. It should be noted that:

If 10 percent of any activity schedule is less than one full contest or production, etc., the participant will miss one complete contest, or production, etc.

Activities Covered

This Student Activity Conduct Code applies to all athletic activities, to all other extracurricular activities, and to all co-curricular activities, but it only applies to student clubs and student offices to the extent that such clubs or offices involve a public performance or a public appearance in which the student serves as a representative of the club, office, or school district.

Students in violation of this Student Activity Conduct Code will not be eligible for the Valley High School semester test waiver privilege during the school year of the infraction.

Academic Eligibility Athletics and/or Activities ([Board Policy 504.06](#))

Scholarship Rule 36.15 (2)

A student must be passing all courses at both of the semester grading periods (S1, S2). All students must be enrolled in six credited courses each semester in order to remain on track for graduation. Seniors in good standing may take a reduction in required credits with administrative approval. Seniors must be enrolled in no fewer than four credits, in alignment with State guidelines for eligibility.

If not passing all courses at the end of a grading period (end of first semester/end of second semester), the student is ineligible for the first period of 30 consecutive calendar days in the current sport or activity in which the student is a contestant. If not currently in a sport or activity the student will serve the 30 consecutive calendar days in the next sport or event they participate in. The student must finish the full season efforts of that sport or activity for their 30 days to count towards their ineligibility. If they do not finish that sport or activity, their 30 days of ineligibility will follow them to their next sport or activity. In accordance with the state guidelines for activities and athletic eligibility, if the student participates in a sport or activity, an "NP" will be considered an "F". A student with a disability who has an IEP shall not be denied eligibility on the basis of scholarship if the student is making adequate progress towards the goals and objectives on the student's IEP.

See www.iahsaa.org for a more detailed explanation of IHSSA scholarship rule.

A student's pre-paid fees or registration fees for activities and athletic programs and trips are non-refundable if a student is deemed academically ineligible or has had an activity code violation.

The Board-approved penalty for the sale and/or distribution of a controlled substance and/or alcoholic beverages is expulsion. Thus a student is automatically ineligible during expulsion. The student may continue practicing during practices held in the district but may not participate in any scheduled performances/competitions. These students are not eligible to attend practices or participate in a student trip as part of a student group away from the district.

School Attendance

The guidelines listed below are consistent with the philosophy expressed in the Valley High School Parent-Student Handbook

1. Any student not in attendance at school on the day of the activity will not dress or participate in the activity. All exceptions must be approved by a school administrator. In order for a student to participate in a public performance or interscholastic activity on any day school is in session, he/she must attend at least half of the scheduled classes which are a part of their schedule for that day. Any exceptions for this guideline must be approved by a school administrator.
2. Any student who participates in a public performance or activity is expected to be in school on time following the activity. Excuses must be approved by a school administrator. "Sleeping-in" is not an excusable absence.

3. Any student serving an out of school suspension and/or expulsion may not participate and/or attend any school-sponsored activity until the student has been readmitted by a school administrator.

Application of the Penalty

In order to remain in the activity and to regain eligibility for the activity or in order to be eligible for a future activity, a student who receives a penalty under the Student Activity Conduct Code:

1. Must practice with the team or in the activity unless under an out-of-school suspension. The student will remain ineligible until re-admitted by a school administrator.
2. Cannot suit up or publicly perform at home or away activities.
3. May not travel with the team or student group.

These requirements apply for the duration of the penalty which is imposed.

After these requirements have been met for the duration of the penalty which is imposed, the student:

1. Can practice with the team or in the activity.
2. Can suit up and play or perform at the discretion of the coach or activity director.

If a penalty is imposed on a student under the Student Activity Conduct Code, the penalty will not be considered to have been served unless the student completes the season or the activity. If the student completes the season or activity before the penalty is fully served, the penalty will apply to the next season or activity in which the student participates.

Student Activity Conduct Code — Procedure for Appeal

1. A written request stating the justification for the appeal is to be presented to the Principal within two school days of the decision.
2. The Principal will review the matter and issue a decision within three school days.
3. The decision of the Principal may be appealed, within two school days, to the Student-Faculty Appeal Panel.
4. The Student-Faculty Appeal Panel will convene, review the case and uphold or dismiss the action within five school days.

Representation at Appeal

When appealing the decision, the student and Principal or Principal's designee shall have the right to appear before any person or panel hearing the Appeal and to present a written statement, ask questions and be questioned.
