

SPRING SEASON 2019

The West Des Moines Soccer Club offers playing opportunities for children ages 3 – 14 this Spring and welcomes all skill levels. Our specialized player development program focuses on educating each player while fostering a greater love for the sport of soccer!

OUR PROGRAMS:

Mini Kickers – 5 weekly sessions for 3-year-olds run by the WDMSC Director of Recreational Coaching! (Children with birth dates between 1/1/2015 and 12/31/2015.) By introducing your child to the game at a young age, they will have a head start in developing both soccer skills and team building!

Cubs – This long-established program will continue again this season for 4 and 5 year old children with birth dates between 1/1/2013 and 12/31/2014. As a rapidly growing program in our player development curriculum, Cubs teams fill up fast. Register now to save your spot!

7U/8U Pre-Academy – The WDMSC 7U-8U recreational program is [phase two of our Player Pathway](#) and a critical stage in our [Player Development Model](#). This program is for players born between **1/1/2011 and 12/31/2012**. These children will experience weekly practice sessions for the first time and move to a slightly larger field than the beginning the Cubbies program. The focus remains strongly on fun, sportsmanship and the basic fundamentals of the game. Children begin to learn more technical skill development.

9U-15U Recreational Program – Whether your child has played soccer for years or if they're new to the sport, the Recreational Program is right for them! Here we focus on FUN and LEARNING! If your child was born between 1/1/2004 and 12/31/2010, sign up now for the WDMSC Recreational Program! (We do not offer 16U and above programs in Spring.)

9U/10U Academy Program – For players who wish to further develop their skills and receive professional training, the WDMSC Academy Program offers just that. This provides players with the opportunity to play with and against other players with similar ability and commitment and at a level where they will experience the most success and enjoyment.
