

## Data Science & Artificial Intelligence Camp

Wells Fargo & Company is partnering with Grand View University to offer a Data Science & Artificial Intelligence Camp this summer. Wells Fargo will sponsor the participation of 24 high school students, selected from across the Des Moines area, in the camp. This five-day hands-on learning program will be developed and taught by experienced instructors from the Wells Fargo technical community along with guest lecturers from other businesses.

**The Program will provide a one-week introduction to:**

- ✓ Programming in Python
- ✓ Data exploration and visualization techniques
- ✓ Statistical modeling and machine learning

**Grand View University  
Student Center**

**July 8 - 12, 2019**

**Cost: \$100**

*\*Scholarships available*

Computing devices will be provided but students are asked to provide their own stationery (notebook, pen/pencils, backpack, etc.). Lunch will be provided.

**REGISTER ONLINE:**
